COMMISSION DECISION

of 21.10.2015

withdrawing Commission proposal for Council decision on the Representation and Position Taking of the Community at International Level in the context of Economic and Monetary Union COM(1998) 637 final

On 9 November 1998 the Commission adopted a Proposal for a Council Decision on the Representation and Position Taking of the Community at International Level in the context of Economic and Monetary Union. This proposal was not adopted and is still pending.

The Commission puts forward a new proposal laying down measures in view of progressively establishing a unified representation of the euro area in the IMF. This proposal contains new solutions that are not compatible with the initial proposal.

Consequently, the Proposal for Council decision COM (1998) 637 final became obsolete and should be withdrawn.

Conclusion

Having regard to the above, the Commission decides to withdraw the act numbered COM (1998) 637 final and to publish the text in annex in the Official Journal of the European Union.
