EXPLANATORY MEMORANDUM

I. POLITICAL AND LEGAL FRAMEWORK

The importance for the former Yugoslav Republic of Macedonia as well as for all the other Western Balkan countries of coping with illegal migration issues was reaffirmed in the conclusions of the EU-Western Balkans Summit held in Thessaloniki on 21 June 2003, which also confirmed the European perspective of the countries of the Western Balkans. According to the same conclusions, the dialogue on visa issues will be dependent on combating, inter alia, illegal immigration. As regards readmission, the "Thessaloniki agenda" announced the commitment of the EU to conduct and conclude readmission agreements with all the countries in the region. It further invited the former Yugoslav Republic of Macedonia and the other Western Balkan countries to take all the necessary measures to facilitate the conclusion, and ensure the implementation, of such agreements.

The importance of readmission agreements was also underlined in Stabilisation and Association Agreement concluded between the European Communities and their Member States, on the one part, and the former Yugoslav Republic of Macedonia.¹ According to Article 76(2) thereof "[t]he Parties agree to conclude, upon request, an agreement between the former Yugoslav Republic of Macedonia and the European Community regulating the specific obligations for the former Yugoslav Republic of Macedonia and for the Member States of the European Union for readmission, including an obligation for the readmission of nationals of other countries and stateless persons."

On 13 November 2006 the General Affairs and External Relations Council formally authorised the Commission to negotiate a readmission agreement with the former Yugoslav Republic of Macedonia. Negotiating directives for readmission agreements with the other Western Balkan countries were adopted by the Council on the same day. In November 2006 the Commission transmitted a draft agreement between the European Community and the former Yugoslav Republic of Macedonia to the authorities of the latter. The negotiations were launched on 30 November 2006 and the first formal round took place in Brussels on 1 December 2006. Two further rounds were held in Brussels in parallel ("back-to-back") with the negotiations on an EC-the former Yugoslav Republic of Macedonia visa facilitation agreement. The last formal round of negotiations took place on 12 April 2007 during which all outstanding issues were agreed including the readmission of the former nationals of the Socialist Federal Republic of Yugoslavia who have acquired no other nationality. The final text of the agreement was initialled by chief negotiators of the two sides on the same day.

Member States have been regularly informed and consulted at all (informal and formal) stages of the readmission negotiations.

On the part of the Community, the legal basis for the Agreement is Article 63(3)(b), in conjunction with Article 300 TEC.

¹ O.J., L 84, of 20.3.2004.

The attached proposals constitute the legal instrument for the signature and conclusion of the readmission agreement. The Council will decide by qualified majority. The European Parliament will have to be formally consulted on the conclusion of the Agreement, in accordance with Art. 300(3) EC Treaty.

The proposed decision concerning the conclusion sets out the necessary internal arrangements for the practical application of the Agreement. In particular, it specifies that the Commission represents the Community within the Joint Readmission Committee set up by Article 18 of the Agreement. Under Article 18(5), the readmission committee shall adopt its own rules of procedure. As in the case for the other readmission agreements so far concluded by the Community, the Community position in this regard shall be established by the Commission in consultation with a special committee designated by the Council. As regards other decisions to be taken by the Joint Committee, the Community position shall be established in accordance with the applicable provisions of the Treaty.

II. OUTCOME OF THE NEGOTIATIONS

The Commission considers that the objectives set by the Council in its negotiating directives were attained and that the draft Readmission Agreement is acceptable to the Community.

The draft Readmission Agreement with the former Yugoslav Republic of Macedonia has been to the extent possible harmonised with the draft Readmission Agreements with the other Western Balkan countries.

The final content of it can be summarised as follows:

- The Agreement is divided into 8 sections with 23 Articles altogether. It also contains 7 Annexes, which form an integral part of it and 6 joint declarations.
- The readmission obligations set out in the Agreement (Articles 2 to 5) are drawn up in a fully reciprocal way, comprising own nationals (Articles 2 and 4) as well as third country nationals and stateless persons including for the former Yugoslav Republic of Macedonia, former nationals of the Socialist Federal Republic of Yugoslavia who have acquired no other nationality (Articles 3 and 5).
- The obligation to readmit own nationals includes also former own nationals who have renounced their nationality without acquiring the nationality of another State. In addition, Articles 2 and 4 are supplemented by a joint declaration concerning the deprivation of nationality.
- The readmission obligation with regard to own nationals covers also family members (i.e. spouses and minor unmarried children) who hold another nationality than the person to be readmitted and who do not have an independent right of residence in the Requesting State.

- The obligation to readmit third country nationals and stateless persons (Article 3) is linked to the following prerequisites: (a) the person concerned holds or at the time of entry held, a valid visa or residence permit issued by the Requested State, or (b) the person concerned illegally and directly entered the territory of the Requesting State after having stayed on or transited through the territory of the Requested State. Exempted from these obligations are persons in airside transit and all persons to whom the Requesting State has issued a visa or residence authorisation before or after entry to its territory.
- The former nationals of the Socialist Federal Republic of Yugoslavia who have acquired no other nationality were treated as a separate category (Article 3(3)). Their readmission shall be accepted by the former Yugoslav Republic of Macedonia provided two conditions are met: their place of birth was on the former Yugoslav Republic of Macedonia's territory and their place of permanent residence on the date of independence of the former Yugoslav Republic of Macedonia (i.e. 8 September 1991) was on the territory of that State. The specific conditions for the readmission of this category of persons were applied horizontally in all the readmission agreements with the Western Balkans countries.
- Both for own nationals, in case of expiry of specified delay, as well as for third country nationals or stateless persons, in all cases, the former Yugoslav Republic of Macedonia accepts the use of the EU's standard travel document for expulsion purposes (Articles 2(4) and 3(4)).
- Section III of the Agreement (Articles 6 to 12 in conjunction with Annexes 1 to 6) contains the necessary technical provisions regarding the readmission procedure (the form and content of the readmission application, means of evidence, time limits, transfer modalities and modes of transportation). Some procedural flexibility is provided by the fact that no readmission will be needed in cases where the person to be readmitted is in possession of a valid national passport and, if he or she is a third-country national, also holds a valid visa or residence authorisation of the State which has to readmit him or her (Article 6(2)). In its paragraph 3, Article 6 contains another important procedural element, the so-called accelerated procedure, which has been agreed upon for persons apprehended in the "border region", i.e. within an area which extends up to 30 kilometres from the common land border between a Member State and the former Yugoslav Republic of Macedonia or within the territories of International airports of Member States or the former Yugoslav Republic of Macedonia. Under the accelerated procedure, readmission applications have to be submitted, and replies have to be given, within 2 working days whereas under the normal procedure, the time limit for replies is 14 calendar days.
- The agreement contains also a section on transit operations (Articles 13 and 14 in conjunction with Annex 7).
- Articles 15 to 17 contain the necessary rules on costs, data protection and the relation to other International obligations.
- The Joint Readmission Committee will be composed, and have the tasks and powers, as set out in Article 18.

- In order to execute this Agreement in practice, Article 19 creates the possibility for the former Yugoslav Republic of Macedonia and individual Member States to conclude bilateral implementing Protocols. The relation between the bilateral implementing Protocols as well as other existing bilateral readmission agreements between the former Yugoslav Republic of Macedonia and individual Member States with this Agreement is clarified by Article 20.
- The final provisions (Art. 21 to 23) contain the necessary rules on entry into force, duration, possible amendments, suspension, termination and the legal status of the Annexes to the agreement.
- The specific situation of Denmark is reflected in the preamble, Articles 1(e), 21(2) and in a joint declaration attached to the Agreement. The close association of Norway, Iceland and Switzerland to the implementation, application and development of the Schengen Acquis is likewise reflected in joint declarations to the Agreement.

III. CONCLUSIONS

In the light of the above-mentioned results, the Commission proposes that the Council

- decide that the Agreement be signed on behalf of the Community and authorise the President of the Council to appoint the person(s) duly empowered to sign on behalf of the Community;
- approve, after consultation of the European Parliament, the attached Agreement between the European Community and the former Yugoslav Republic of Macedonia on readmission.

Article 5

Readmission of third-country nationals and stateless persons

- (1) A Member State shall readmit, upon application by the former Yugoslav Republic of Macedonia and without further formalities other than those provided for in this Agreement, all third-country nationals or stateless persons who do not, or who no longer, fulfil the legal conditions in force for entry to, presence in, or residence on, the territory of the former Yugoslav Republic of Macedonia provided that it is proved, or may be validly assumed on the basis of prima facie evidence furnished, that such persons

SECTION III. READMISSION PROCEDURE

Article 6

Principles

- (1) Subject to paragraph 2 of Article 6, any transfer of a person to be readmitted on the basis of one of the obligations contained in Articles 2 to 5 shall require the submission of a readmission application to the competent authority of the Requested State.
- (2) No readmission application shall be needed where the person to be readmitted is in possession of a valid travel document and, where applicable, a valid visa or residence permit of the Requested State.
- (3) If a person has been apprehended in the border region (including airports) of the Requesting State after illegally crossing the border coming directly from the territory of the Requested State, the Requesting State may submit a readmission application within 2 working days following this persons apprehension (accelerated procedure).

Article 7

Readmission application

- (1) To the extent possible, the readmission application is to contain the following information:

- a) the particulars of the person to be readmitted (e.g. given names, surnames, date of birth, and – where possible – place of birth, and the last place of residence and particulars of their parents) and, where appropriate, the particulars of minor unmarried children and/or spouses;
 - b) indication of the means with which proof or prima facie evidence of nationality, transit, the conditions for the readmission of third-country nationals and stateless persons and unlawful entry and residence will be provided;
 - c) photograph of the person concerned.
- (2) To the extent possible, the readmission application shall also contain the following information:
- a) a statement indicating that the person to be transferred may need help or care, provided the person concerned has explicitly consented to the statement;
 - b) any other protection, security measure or information concerning the health of the person, which may be necessary in the individual transfer case.
- (3) A common form to be used for readmission applications is attached as Annex 6 to this Agreement.

Article 8

Means of evidence regarding nationality

- (1) Without prejudice to respective relevant national legislations, proof of nationality pursuant to Article 2 (1) and Article 4 (1) can be furnished through the documents listed in Annex 1 to this Agreement. If such documents are presented, the Member States and the former Yugoslav Republic of Macedonia shall mutually recognise the nationality without further investigation being required. Proof of nationality cannot be furnished through false documents.
- (2) Prima facie evidence of nationality pursuant to Article 2 (1) and Article 4 (1) can be particularly furnished through the documents listed in Annex 2 to this Agreement, even if their period of validity has expired. If such documents are presented, the Member States and the former Yugoslav Republic of Macedonia shall accept a presumption of nationality to have been established unless they can prove otherwise. Prima facie evidence of nationality cannot be furnished through false documents.
- (3) If none of the documents listed in Annexes 1 or 2 can be presented, the competent diplomatic and consular representations of the Requested State concerned shall, upon request, make arrangements to interview the person to be readmitted without delay, at the latest within 3 working days from the requesting day, in order to establish his or her nationality.

Article 9

Means of evidence regarding third-country nationals and stateless persons

- (1) Proof of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 3 (1) and Article 5 (1) shall be particularly furnished through the means of evidence listed in Annex 3 to this Agreement; it cannot be furnished through false documents. Any such proof shall be mutually recognised by the Member States and the former Yugoslav Republic of Macedonia without any further investigation being required.
- (2) Prima facie evidence of the conditions for the readmission of third-country nationals and stateless persons laid down in Article 3 (1) and Article 5 (1) shall be particularly furnished through the means of evidence listed in Annex 4 to this Agreement; it cannot be furnished through false documents. Where such prima facie evidence is presented, the Member States and the former Yugoslav Republic of Macedonia shall accept a presumption of the conditions to have been established, unless they can prove otherwise.
- (3) The unlawfulness of entry, presence or residence shall be established by means of the travel documents of the person concerned in which the necessary visa or other residence permit for the territory of the Requesting State are missing. A statement by the Requesting State that the person concerned has been found not having the necessary travel documents, visa or residence permit shall likewise provide prima facie evidence of the unlawful entry, presence or residence.
- (4) Prima facie evidence of the conditions for the readmission of former nationals of the Socialist Federal Republic of Yugoslavia laid down in Article 3 (3) shall be particularly furnished through the means of evidence listed in Annex 5 to this Agreement; it cannot be furnished through false documents. Where such prima facie evidence is presented, the former Yugoslav Republic of Macedonia shall deem the conditions to be established, unless they can prove otherwise.
- (5) If none of the documents listed in Annex 5 can be presented, the competent diplomatic and consular representations of the former Yugoslav Republic of Macedonia shall, upon request, make arrangements to interview the person to be readmitted without undue delay or at the latest within 3 working days from the requesting day, in order to establish his or her nationality.

Article 10

Time limits

- (1) The application for readmission must be submitted to the competent authority of the Requested State within a maximum of one year after the Requesting State's competent authority has gained knowledge that a third-country national or a stateless person does not, or does no longer, fulfil the conditions in force for entry, presence or

residence. Where there are legal or factual obstacles to the application being submitted in time, the time limit shall, upon request by the Requesting State, be extended but only until the obstacles have ceased to exist.

- (2) A readmission application must be replied to in writing
 - within 2 working days, if the application has been made under the accelerated procedure (Article 6(3));
 - within 14 calendar days in all other cases.

These time limits begin to run with the date of receipt of the readmission request. If there was no reply within these time limits, the transfer shall be deemed to have been agreed to.

SECTION IV. TRANSIT OPERATIONS

Article 13

Principles

- (2) The former Yugoslav Republic of Macedonia shall allow the transit of third-country nationals or stateless persons if a Member State so requests, and a Member State shall authorise the transit of third-country nationals or stateless persons if the former Yugoslav Republic of Macedonia so requests, if the onward journey in possible other States of transit and the readmission by the State of destination is assured.
- (3) Transit can be refused by the former Yugoslav Republic of Macedonia or a Member State
 - a) if the third-country national or the stateless person runs the real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, nationality, membership of a particular social group or political conviction in the State of destination or another State of transit; or
 - b) if the third-country national or the stateless person shall be subject to criminal sanctions in the Requested State or in another State of transit; or
 - c) on grounds of public health, domestic security, public order or other national interests of the Requested State.
- (4) The former Yugoslav Republic of Macedonia or a Member State may revoke any authorisation issued if circumstances referred to in paragraph 3 subsequently arise or come to light which stand in the way of the transit operation, or if the onward journey in possible States of transit or the readmission by the State of destination is no longer assured. In this case, the Requesting State shall take back the third-country national or the stateless person, as necessary and without delay.

Article 14

 - c) envisaged point of entry, time of transfer and possible use of escorts;

(2) The Requested State shall, within 5 calendar days and in writing, inform the Requesting State of the admission, confirming the point of entry and the envisaged time of admission, or inform it of the admission refusal and of the reasons for such refusal.

(3) If the transit operation takes place by air, the person to be readmitted and possible escorts shall be exempted from having to obtain an airport transit visa.

(4) The competent authorities of the Requested State shall, subject to mutual consultations, assist in the transit operations, in particular through the surveillance of the persons in question and the provision of suitable amenities for that purpose.

This includes the notification of any rectification, erasure or blocking to the other Party.

Joint Declaration concerning Articles 2(2) and 4(2)

In application of the provisions in question, the Parties should endeavour to take appropriate measures to maintain as far as possible the family unity and integrity. To this aim the Parties should make the best effort to readmit the family members in a reasonable time frame.

The application of the principle of family unity and integrity should be in particular the subject of monitoring by the Committee referred to in Article 18.

Joint Declaration concerning Articles 2(3) and 4(3)

The Contracting Parties take note that, according to the nationality laws of the former Yugoslav Republic of Macedonia and the Member States, it is not possible for a citizen of the former Yugoslav Republic of Macedonia or the European Union to be deprived of his or her nationality.

The Parties agree to consult each other in due time, should this legal situation change.

Joint Declaration concerning Articles 3 and 5

The parties will endeavour to return any third country national who does not, or who no longer, fulfils the legal conditions in force for entry to, presence in or residence on, their respective territories, to his or her country of origin.

Joint Declaration concerning Denmark

“The Contracting Parties take note that this Agreement does not apply to the territory of the Kingdom of Denmark, nor to nationals of the Kingdom of Denmark. In such circumstances it is appropriate that the former Yugoslav Republic of Macedonia and Denmark conclude a readmission agreement in the same terms as this Agreement.”

Joint Declaration concerning Iceland and Norway

“The Contracting Parties take note of the close relationship between the European Community and Iceland and Norway, particularly by virtue of the Agreement of 18 May 1999 concerning the association of these countries with the implementation, application and development of the Schengen acquis. In such circumstances it is appropriate that the former Yugoslav Republic of Macedonia concludes a readmission agreement with Iceland and Norway in the same terms as this Agreement.”

Joint Declaration concerning Switzerland

“The Contracting Parties take note that the European Union, the European Community and Switzerland signed an agreement on Switzerland's association with the implementation, application and development of the Schengen acquis. It is appropriate, once this association agreement enters into force, that the former Yugoslav Republic of Macedonia concludes a readmission agreement with Switzerland in the same terms as this Agreement.”
